What Members Are Saying About IAEI:

"IAEI keeps me well informed on current code changes and up-to-date on new industry standards."

– Otis Earlycutt, Electrical Designer | Moses Engineering

"The ability to network with other electrical inspectors and have networking opportunities at the IAEI meetings with code panel members of the National Electrical Code. The quality of the IAEI publications make the IAEI membership a true value."

– David Williams, Electrical Inspector | Delta Township, Lansing
